Notes :-
1 The Company has only one manufacturing unit at Palej, to produce steel products i.e. cold rolled and galvanised steel and hence there is only a single segment in terms of Accounting Standard on "Segment Reporting" (AS-17) issued by ICAI applicable w.e.f. 1st April, 2001.

2 The above financial results were reviewed by the Audit Committee and have been taken on record by the Board of Directors at its meeting held on 12th February, 2015.

3 The figures of previous Period / Year have been regrouped and reclassified wherever necessary to conform to current period presentation.
4 Basic \& Diluted EPS has been arrived at after considering dividend payable on Preference share Capital.
5 Effective from April 1, 2014, as per the Companies Act, 2013, the depreciation has to be provided over the remaining useful lives of the assets as per the requirement of Schedule II of the Companies Act, 2013. However in respect of certain assets, depreciation has been provided as per useful lives as assessed by independent technical valuers and assessors as per their Valuation report in March 2011. Hitherto, depreciation on revalued assets to the extent of difference of depreciation on original cost and revalued amount was transferred from Revaluation reserve to to Profit and Loss Account. However, during the quarter/Period, entire depreciation is charged to Profit and Loss Account. Due to the same, depreciation for the quarter/Nine months is higher by Rs. 136.87/Rs. 409.12 Lakhs.
6 Because of change in accounting policy, hitherto, followed by the company, the company has valued raw materials on specific identification of cost basis instead of quarterly moving average basis. Consequently, the loss for the quarter and quarter before tax is lower by Rs. 73.61 Lakhs \& closing stock of Raw Material as on 31st Decemebr 2014 is higher by Rs. 73.61 Lakhs.

7 The 'Limited Review' by the statutory Auditors for the quarter as required under clause 41 of the Listing Agreement has been completed and the related report is being forwarded to the Stock Exchange. This report does not have any impact on the above results and above notes, which need to be explained.
